Massillonian

WASHINGTON HIGH SCHOOL - MASSILLON, OHIO

DEDICATION

TEACHING is so noble a calling that one deserves honor simply for devoting his whole life to it. But when a man adds to his work of teaching, years of service in extra curricular activity and leadership beyond the call of duty, he deserves the highest honor in the gift of his followers.

Patience has not been the only attribute of our candidate. His unfailing good humor keeps him and all those about him buoyed up, and full of courage to fight on. These are virtues of great price, and when they are coupled with ability and vision, they sum up to a man who will leave his mark on all those who are touched by his leadership.

For his years of standing for truth in our classrooms, for his years of voluntary and inspired service to us, and to our many predecessors, we do not do him honor; we simply speak of the honor that has long been richly his.

Somehow, as we award this dedication of the "1944 Massillonian," we have the feeling that we echo the gratitude and respect of many who have passed from these halls. And so our pleasure is deepened, and we find greater than usual satisfaction in placing this mantle of honor upon the deserving shoulders of our friend and teacher, Walter E. Wright.

WE SALUTE

The Boys in The Service

In the north corridor of the first floor at Washington High School, grouped on a Service Honor Roll, are a thousand names. They are ordinary names like Bill Jones and Mary Smith. But there are two things that distinguish them: They are names of Massillonians, and they are in the service of their country. They constantly challenge: "Are you doing your part—there on the home front? We ask no more of you."

Three years ago they were enjoying life as they chose it for themselves, settling down to a smooth routine. Then came Pearl Harbor, and like good Massillonians have in other storms, they left their life threads where they were, and joined the long procession of Americans which first formed at Lexington and Concord.

Washington High School is proud of these, her sons and daughters. And when we move the name of some hero from the active roll to the gold star flag in the front corridor, our sorrow at his passing is assauged by the certain knowledge that he died in the service of the rest of us, and for the ideals he has held since childhood; ideals which find expression in such immortal forms as "This Is My Station."

Let all Massillonians, present and future, take heed of their example — for it is the example of brave men from the beginning of time. It does seem, however, that Massillon has more than its normal quota. To excel in greatness—this is high honor indeed.

Many things are involved in administering to a high school where fifteen hundred souls are seeking the road to a better life. Administration is the sum of such strange-sounding things as discipline, guidance, attendance, and supervision.

No man or woman could be too wise to find challenge in such work as the leadership of a high school involves. Around any corner may be lurking a problem too complex for Solomon himself. When one works with humanity, he must realize that he is not working with machines that respond always the same and always measurably to all influences. One is here on holy ground, for the course of a whole life may be at stake in one critical moment. When you reflect that nature's imagination is so great that no two individuals are alike, you have the answer to the common humility of the administrative officials.

L. J. SMITH
Superintendent

ADMINISTRATION

A board of education is to a school system what a council is to a city. Why, one asks, should any citizen seek election to such a board? There is no pay involved, and the responsibility is tremendous. But here is one of the earmarks of a democracy. There are always capable men who believe so firmly in the American way that they are not satisfied with merely saying so, and thus paying lip service to democracy. They accept the load, they spend hours pouring over financial reports, new proposals of policy relating to everything from personnel to buildings and equipment.

Like the New Englander in town meeting, they "have their say and leave with clean souls." For these men enjoy the confidence of their fellow citizens. And they feel the necessity of keeping Massillon on top in education, as it is in so many things. It is indeed inspiring to watch this mechanism of democracy at work, for through it the people express their desire for better things in each new generation.

NATIONAL HONOR SOCIETY

Every year we are permitted to elect a maximum of fifteen per cent of our Senior class to the National Honor Society. This is an exclusive organization, but not one for bookworms. For scholarship alone is not enough; although it would be hard to imagine a four-pointer not in the society. Leadership, which means either outstanding generalship in class work or in extra-curricular activities, character, and service to our school community; all these are given proper consideration.

The fact that each year we elect nearly the maximum number allowed, is due to two intangible factors: the natural admiration of good teachers for good students, and the extreme difficulty of separating the sheep from the goats. And then it just may be something about Massillon. Perhaps we have a larger percentage of top flight people than a mere fifteen. So on this annual day of judgment, we place the stamp of "approved of faculty and administration" on those we hope and believe will be tomorrow's leaders of mankind.

Here's to a really super guy. I guess we've seen each other since the 9th Grade. I never get tired of seeing you maybe its because I like you so much. I hope I see you next year. You are one of the nicest boys I know. Stay the way you are and I'm sure you will go far in everything and anything you do.

Sincerely,

Jim Shepler

P.S. Thanks for the picture.

LINCOLN

It was the initial game of the 1943 season for Massillon's Washington High Tigers. A crowd of 13,000 fans was there to witness the opening kickoff. The Massillon boys were held scoreless during the first half by a tough Canton Lincoln team. After an exchange of punts early in the third quarter, the Tigers finally found themselves and set sail for the Lions' goal. All the local backs helped carry the ball to Lincoln's 21 yard line, where Pellegrini took it over on a reverse. Pellegrini made the extra point on a plunge through the line. The Tigers held Lincoln's backs down close to their own goal by great defensive playing. When Canton tried to kick out of danger, Glenn Keller broke through and batted down the punt, giving Massillon an automatic safety. Massillon's final touchdown came in when Rejina, standing behind his own goal line, kicked to Pellegrini on Canton's 29. Instantly a wall of Massillon blockers paved a way for a brilliant run and the final points of the game, which ended 15-0.

WEST

The Tigers had a narrow escape when they met Akron West here for the second game of the season. Scoring two touchdowns in the first half, the Massillon boys struggled to hold their own the last two periods. The first touchdown came early in the first period. Massillon received the ball and marched 65 yards right for Akron's goal. Pellegrini scampered off 47 of the yards on a wide end run around left end. Mastriann went through right tackle for the tally. In the second quarter good tackling by Arrington forced West to kick from behind their own goal line. The ball was downed on the Cowboys' 23. Pellegrini took the leather 17 yards on two plays and on two more Mastriann was across for the second marker. The whole second half, the Tigers were stopped offensively. It was the Akron boys' turn. They ran the ball to Massillon's 20 and heaved it to the five. A short pass did the trick and gave West their only touchdown. This game ended at 13-6 with many fans wondering about the rest of Massillon's season.

ST. VINCENT'S

Almost an underdog, the Massillon Tigers answered their many critics and amazed 17,000 spectators by rolling over Akron St. Vincent's 46-0. The Massillonians had truly found themselves. They clicked in the air, connecting on seven of fifteen forward passes and smashed their way on the ground for a net gain of 402 yards. A pass from Pellegrini to Jasinski set up the first touchdown, where Mastriann went over from the two. Bob Wallace made the second marker sparking an 84 yards drive. Glenn Keller then intercepted an Irish pass on their own 39 and uncorked some beautiful fancy running to make the score 20-0. A blocked punt by Wallace and a smash through tackle accounted for the next tally. A pass from Pellegrini to Jasinski gave the Tigers the extra point, and a half-time score of 27-0. On the first Massillon play of the second half, Pellegrini passed to Jasinski on the Irish 30, and he scampered the remaining distance for the fifth touchdown. The next was a repetition of the fifth only much more colossal, as three St. Vincent's players touched the ball just enough so Jasinski could finally pull it in. Pellegrini went 15 yards straight through tackle for the final points.

STEUBENVILLE

The Washington High Tigers continued paving their way of victories as they cut down the Big Red of Steubenville with a smooth and precise gridiron machine. Massillon's complete offense was on the ground. Mastriann and Pellegrini would break through the Big Red line and Wallace would sweep their ends, continually going for long gains. Pellegrini gave the Tigers their first score by driving through a big hole in Stubbers' line for the last two yards. Mastriann converted. Then Zuk, the Big Red passing wizard, was set to work, and the air became alive with passes. This set up Steubenville's only touchdown, where Roush went over from the two. The next two Tiger touchdowns were the effects of fumbles; Mastriann and Wallace ran them over respectively. The locals' fourth touchdown climaxed a 53 yard drive with Pellegrini racing behind fine interference 12 yards across the last white stripe. Mastriann's place kick was good. The last score of the game was the culmination of a 62 yard drive. It was started by Willmot, who intercepted a Zuk pass and went side stepping for 33 yards to Steubenville's 38. The Massillon backs drove to the four, where Pellegrini smashed through to make the final score read 33-6.

ALLIANCE

The Massillon High gridders, wearing their rubber pants, swam through a muddy field to down a strong Alliance team 12-0. It was one step closer to the Stark County championship. The steady downpour of rain throughout the game made it very hard for both teams offensively, for when Alliance's total yardage was added up, they were in the hole. Once again Massillon's line stood out as they drove down another team with tackles and blocks. The first half was scoreless, although Pellegrini ran 23 yards crossing the goal only to have it called back and a 15 yard penalty inflicted on the Tigers for holding. The Tigers did get their break though, for on the kick-off of the second half the Alliance receiver fumbled and Glenn Keller recovered on the Aviator's 15 yard line. In six plays Bob Wallace banged through for the first touchdown of the game. The next time the local boys got the ball they slashed their way for 65 yards with Pellegrini making the final marker on a 12 yard side-stepping run, evading the whole team.

MANSFIELD

The Massillon Tiger ripped open a 33-0 wound in the visiting Mansfield Tyger as they collected their sixth victory of the season. The regulars saw little action in the second half. The second-string, taking over at 19-0, added 14 more points to the score, while giving a real account of themselves both on offense and defense. Massillon scored in every quarter with the first touchdown being set up by a pass from Pellegrini to Jasinski, where Mastriann took it over from the three. The next was a thriller with Bob Wallace grabbing a pass from Pellegrini on the Mansfield 35 and ambled the remaining distance for a 74 yard gain. The Tigers stayed on the ground for the third marker, as they played through Mansfield 56 yards with Wallace smashing over from the 15. Turkall added the extra point. Turkall then raced 46 yards to set up a third period tally, Glenn Keller going over from the four. Wallace plunged for the extra point. The final touchdown came on beautifully executed plays with Turkall behind excellent interference giving gains of 25 and 35 yard runs, then a last of 13 yards for the marker.

SPORTS

WARREN

Over a thousand Massillon fans drove to Warren to witness one of the hotest football games in years. The Tigers really showed their courage and ability as they fought this grueling battle with a very tough Warren team, and came out on top 20-0. Not a minute of the game did either team let up. Massillon's aerial attack was the main factor of the game, with all three touchdowns the results of passing. The first time the locals got their hands on the ball, Pellegrini let it fly; Jasinski was there to grab it and tote it to the five before the safety man downed him. Wallace took it to the two, where Pellegrini then raced around right end across the remaining white stripe. Romeo also made the extra point by running the ball around end. The Tigers next made an eight yard drive to the Presidents' 10 yard line as the half ended. In the third quarter Massillon marched 85 yards without a halt for the second set of counters. A short pass from Pellegrini direct to Willmot in the end zone climaxed the drive. Mastriann converted. The last touchdown was again a heave from Pellegrini to Willmot, who made a perfect catch across the goal line.

TIMKEN

The Tigers' eighth straight victory of the season was a 46-0 romp over the Canton Timken Trojans. The Massillon boys really rolled as they piled up a net yardage of 585 yards. A pass that traveled 53 yards, from Romeo Pellegrini to Tom Jasinski, accounted for Massillon's first touchdown. Pellegrini next heaved a strike to Captain Bob Wallace, who caught the ball on the Trojans' 45 and ran the remaining distance to make it 12-0. Three passes again clicked and the Tigers had a third tally. Mastriann converted. After the half time show, the locals took the leather to Timken's 43 where Bob Wallace displayed a beautiful piece of running and gave Massillon another touchdown. Mastriann again kicked up the extra point. R. C. Arrington set up the Tigers' next counter by crashing through the line so fast the Timken upback handed the ball to him. Arrington fell on Canton's 35. Mastriann accounted for the touchdown by going over from the six yard line. Wallace, behind beautiful blocking, carried the pigskin over from the 21. Mastriann converted to make it 39-0. Late in the fourth quarter, the Tiger scrubs took the ball over twice, but both times the touchdowns were lost because of penalties. However, the third time was the charm for Pedrotty hit the line to go over from the four.

YOUNGSTOWN

The Washington High Tigers' next victim was a heavy but not so powerful Youngstown Rayen team. The Tigers got off to an early start as a clever bit of ball handling found Luke running down the side line for 39 yards. Across the goal, Mastriann place kicked the extra point. Luke next recovered a Rayen fumble on the Youngstown 24. Bob Wallace then pulled a couple of tricks out of the bag and danced over for the second marker. A 70 yard march with Pellegrini smashing over from the one yard line made it 20-0. After the kick-off opening the third quarter, the Tigers' second team raced on the field to continue batting the Youngstown boys around. After throwing them for a loss, Rayen was forced to kick out, but Don Sedjo rammed through to knock the kick over the visitors' goal line, where Bob Heltzel grabbed it for the touchdown. Turkall converted. The Tigers tallied their final set of counters on a pass from Turkall to Luke for a 28 yard gain and a 39-0 win.

McKINLEY

The Massillon Washington High School Tigers again showed their gridiron supremacy as they laid low the Canton McKinley Bulldogs with a smashing defeat of 21-0. This victory gave Massillon their eighth Ohio Scholastic Championship in the last nine years. Once again it was the Tigers' line too strong for the opponents. The first two touchdowns were the direct result of Massillon's linemen. After a scoreless first half, R. C. Arrington broke through the Bulldogs' line to bat down Pujazon's kick. Bill Gable quickly scooped up the loose ball and stepped over the goal line. Mastriann calmly kicked the extra point amidst the howling of 23,000 spectators. Arrington, the star Tiger linesman, again broke through to catch Pujazon who was ready to heave a pass. However, before he let go of it, Juicy Tongas smeared him so hard the ball flew out of Pujazon's hand into Arrington's. The goal line was 61 yards away, but R. C. didn't stop till he had planted the leather behind it. The last touchdown was the result of the drive of the Massillon's great backfield. Mastriann carried the pigskin the last ten yards and again converted to make it 21-0.

BASKETBALL

KENMORE

The Massillon Tiger cage team opened with a squad that gave the Massillon rooters their brightest outlook in years. The Tigers got off to a good start by downing Akron Kenmore 55-46. Every member of the Washington High team saw action, as Coach Kammer was still looking for the best five combination. Tom Jasinski took top scoring honors of the game with 18 points.

AKRON CENTRAL

The rangy Tiger quintet had little trouble as they romped over Akron Central 49-30. The Tigers showed very good shooting by uncorking a scoring spree that netted them 24 field goals. Captain Doc Williams led in the scoring column by caging 15 points.

CANTON TIMKEN

Massillon tasted its first defeat 42-24, while playing their last game before Christmas vacation. They fell badly before the strong Canton Timken five. The Tigers tied Timken the first quarter at 15 all. Up to there it looked like the even game it was expected to be, but the orange and black collected only 9 points the last three quarters, as the Trojans marked up 27.

AKRON NORTH

The third Akron quintet fell before the Washington High cage team as the Tiger boys poured it on in the last few minutes to close a 10 point gap at which they were trailing most of the game. The Tigers, spurred by Doc Williams, plus a last second swishing shot by Gable, stole the game from a fine Akron North team by a score of 51-49.

CANTON McKINLEY

Massillon met their old rival, McKinley, for the first of their home and home series, on the Canton floor. Playing more football than basketball the first half Massillon trailed by 10 points at the start of the third quarter. The Tigers got together the second half, however, and tied the score at the end of the regulation time 42 all. The two minute overtime period was all the orange and black needed as they checked up a 47-42 win.

CANTON LINCOLN

The Massillon cagers nailed Canton Lincoln 53-30 as the Tigers captured their fifth win of the season. Trailing 9 to 5 at the end of the first period, the Bengals cut loose with a second quarter splurge to tally 21 points while holding the Lions to four. Williams and Profant were leading scorers with 16 and 13 points respectively.

ALLIANCE

A highly rated Alliance team went home with a 46-28 loss hanging on them as the Massillon boys played their best game so far this season. Williams led the Tigers in the game defensively, while Bill Gable netted 13 points to take scoring honors.

NEW PHILADELPHIA

By defeating New Philadelphia 51-38, the orange and black chalked up their seventh victory out of eight starts. John Profant tallied 11 points, but he really stood out on his brilliant floor work. Williams and Luke each caged 13 points to add to the Tiger's total.

AKRON SOUTH

Massillon's game with Akron South lived up to its expectations as the battle see-sawed back and forth with both quintets continually grabbing small leads just to have them taken away. In the final minutes of the game, the Tigers spurred ahead to cop the game 52-45.

AKRON ST. VINCENT'S

Massillon made a clean sweep of the Akron High Schools by downing St. Vincent's 37-31. The first quarter found the Tigers leading 12-0, and continuing their great defensive playing, they led 19-3 at the half. Then came the fireworks, however, for the Irish made a real ball game out of it the second half by out-scoring the Bengals 28 to 18. Luke was high for Massillon with 11 points.

CANTON LEHMAN

With a story-book finish Massillon defeated Lehman 62-60 in probably the most thrill-packed basketball game ever witnessed in this area. After the lead changed hands 17 times, the count was knotted 60 all with five seconds to go when Don Willmot let one ride straight for the basket from over half the distance of the floor. This spectacular shot gave the Tigers 10 triumphs out of 11 starts.

CANTON McKINLEY

The orange and black winning streak was snapped at eight straight as a fast Canton McKinley quintet found revenge for their defeat earlier in the season at the hands of the Massillonians. Speedy Hank Smith led the Bulldogs to the 48-39 win by gathering 22 points on some beautiful shooting. The half ended at a tie, 23 all, but the Bulldogs' third quarter rally built up a lead the Tigers could not overcome.

CANTON LEHMAN

For the second time in two weeks the Tigers tangled with the Lehman Polar Bears. This time, however, Massillon was on the losing end of the 67-59 score. Going down in a big way, the orange and black scored 19 points in the final quarter, but couldn't close the gap. Arrington collected 17 points for Massillon while Dorland netted 21 for Lehman.

ALLIANCE

By turning on the steam in the last quarter, the orange and black inflicted the second defeat on the Alliance Aviators this season, 49-34. Williams, Profant, and Arrington led the Tigers in scoring with 14, 13 and 11 points respectively. The Tiger Cubs chalked up their fourteenth straight win by downing the Alliance reserves 54-30.

MANSFIELD

After trailing 31-19 at the end of the second quarter, the Washington High Tigers' last half rally fell short three points as they bowed to the Mansfield Tigers 55-52. This was the only defeat handed to Massillon by a team outside Stark County.

WARREN

Playing an underdog role to a team rated as one of the best in Ohio, the orange and black emerged with a 42-39 upset victory over the Warren Harding Presidents. The Tigers played top notch ball all the way, though it was one of the fastest games of their season. Captain Doc Williams played his best game of the year by controlling the ball off of both backboards and by caging 16 points to lead in the scoring column.

CANTON LINCOLN

In the final game of their regularly scheduled season the Massillon Tigers found it easy going as they downed Canton Lincoln 51-24. By building up a 15 to 2 quarter lead, the Bengals coasted to their thirteenth victory in seventeen games. Williams and Luke paced the Tigers netting 20 and 14 points respectively.

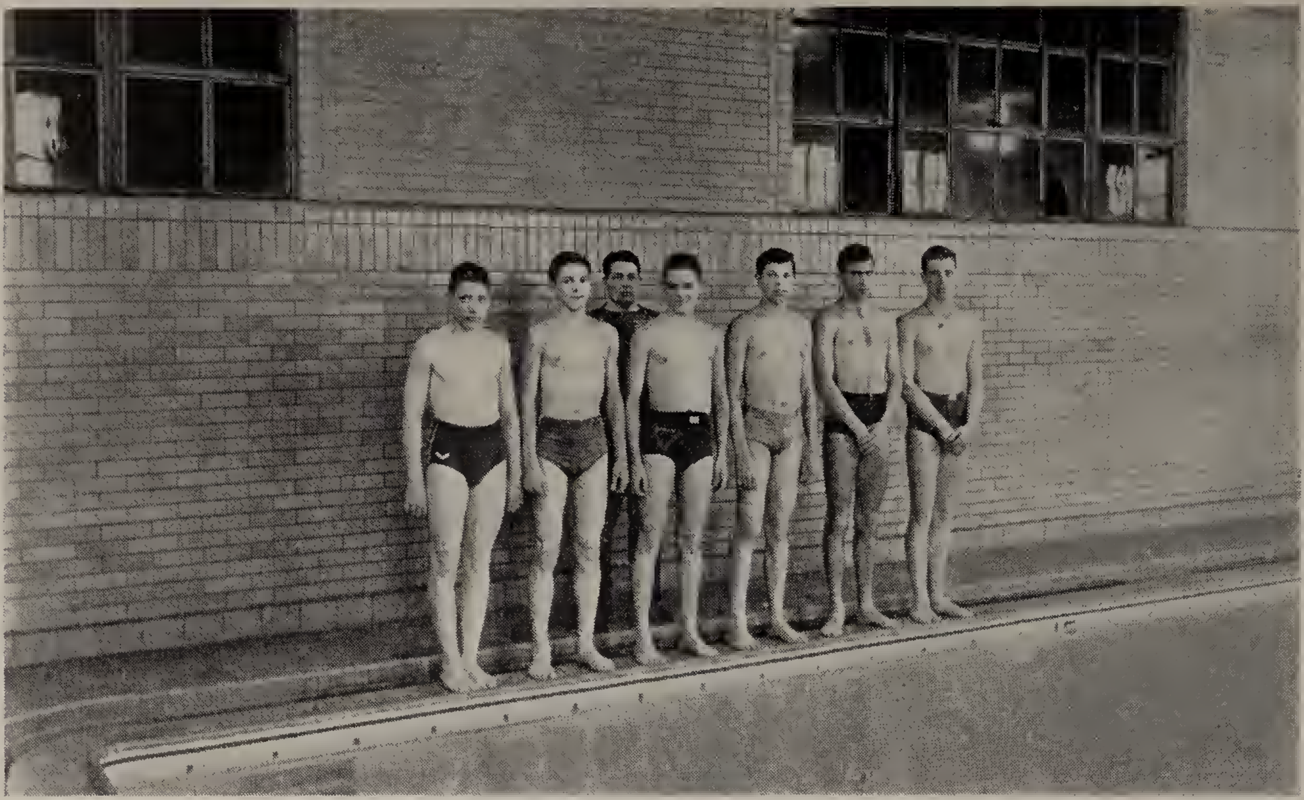
The 1943-44 Tiger Cubs, future members of Washington High's Varsity, composed one of the most outstanding reserve teams ever to play for the orange and black. The Massillon reserves chalked up 16 straight wins to finish with an undefeated season. The team was coached by Jim Hollinger and John Burnison. Glenn Keller was the captain. The Tiger Cubs were a rugged, unbeatable team which has been proved by their string of victories. It was well balanced in its line-up; as there was no one continual star. Early in the campaign they had several close battles, but steadily improved as the season progressed.



Left to Right—Phil Knight, Bob Uth, Jerry Croushore, *Coach*, Ray Frankmann, Bob Gardner, Dale Briegel, Ralph Knight. ABSENTEES—Dick Ripple, John Schuster, and Duane Kipler.

SWIMMING

Still a young sport at Washington High School, the Massillon Swimming team saw little action this year. Losing the only three meets they participated in was due mostly to their small membership of the squad. Their first two meets were with Canton McKinley, losing them by scores of 49-25; 39 26.

The State meet at Columbus gave Massillon a headline by the performance of Ralph Knight, captain of the team. He was the only swimmer to take two firsts in the individual competition. He won the 100 yard freestyle and was first in the 100 yard backstroke in which he set a state record with the time 1:01.8. These two wins gave Massillon twelve points in the meet which was captured by Finlay who totaled 23 points. The Washington High mermen are coached by Jerry Croushore.

INTRAMURAL BASKETBALL

Under the direction of Augie Morningstar, ten intramural basketball teams were organized from the boys of Washington High School. The games were played during the noon hour and refereed by members of Massillon's varsity and reserve teams. The season lasted nine weeks with each team playing once a week. The intramural basketball champions were the Kendle Dutch with a record of eight wins against one defeat.

SPECIALIZED TRAINING REQUIRED

In spite of the very urgent need for all types of employees, highly specialized training still pays bigger rewards in promotion, higher salaries, and more pleasant work.

There is by far a greater demand for highly skilled typists, stenographers, comptometer operators, bookkeepers, and accountants than we can supply.

Every week we receive, from private industry, Governmental Agencies, and Civil Service, many more calls for help than we possibly can fill.

Our students are placed in good positions just as soon as they are properly trained.

Make your plans now to start your course in summer school. Start immediately after the close of High School.

ACHIEVEMENT

We congratulate the graduates of the 1944 Massillon High School Class. May you succeed in attaining those high ambitions which you now foster.

To the undergraduates we also extend our compliments and hope that you will be numbered among the future graduates of Massillon High.

We wish to remind you that we will be glad to serve you, as we have served thousands of satisfied customers in our forty-two years of business.

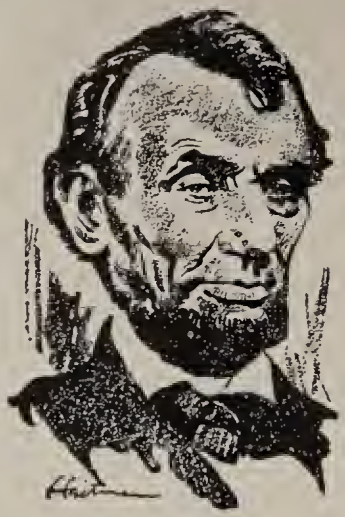
OVER 57 YEARS OF
SERVICE TO THE NATION

Sears, Roebuck and Co.

155 LINCOLN WAY, W., MASSILON



"Lest We Forget"

FOURSCORE and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal. Now we are engaged in a great civil war, testing whether that nation or any nation so conceived and so dedicated can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this. But in a larger sense we cannot dedicate, we cannot consecrate, we cannot hallow this ground. The brave men, living and dead, who struggled here have consecrated it far above our power to add or detract. The world will little note nor long remember what we say here but it can never forget what they did here. It is for us, the living, rather to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us, that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation under God, shall have a new birth of freedom, and that government of the people, by the people and for the people shall not perish from the earth.
